BOOK SYNOPSIS

A simple practice to heal your past and cleanse negative memories to live a more peaceful and harmonious life • Details how to apply Hooponopono to deal with traumatic past events, destructive thought patterns, family dynamics, daily annoyances, or any other disagreeable event in your life, from traffic jams to relationship break-ups • Draws on the new science of epigenetics and quantum physics to explain how Hooponopono works • Explains how the trauma of past events can cloud your perceptions and reveals how to break free from the weight of your memories Based on an ancestral Hawaiian shamanic ritual, the healing practice of Hooponopono teaches you to cleanse your consciousness of negative memories, unconscious fears, and dysfunctional programming and grant yourself forgiveness, peace, and love. The process is deceptively simple--first you must recognize your own responsibility for creating the events in your life, then you are ready to apply the mantra of Hooponopono: I'm sorry, Forgive me, Thank you, I love you. Repeated several times over a dedicated interval, the negativity is replaced with inner peace, love, and harmony--and, as the stories in this book show, sometimes even miracles take place. In this step-by-step guide, the authors explain how to apply Hooponopono to traumatic past events, destructive thought patterns, family dynamics, daily annoyances, or any other disagreeable event in your life, from traffic jams to relationship break-ups. Drawing on quantum physics and epigenetics, they explore how Hooponopono works--how thoughts and consciousness can affect the expression of your DNA, the materialization of your goals, and the behavior of those around you. They explain how negative thought patterns and memories unconsciously guide your life and draw more negativity to you, perpetuating the cycle of bad events and clouding your recollection of the past. By apologizing to yourself, your memory, and the event in question, you can forgive yourself, heal your memories, and cleanse your perceptions. By reconciling with yourself, you open your heart to love for your experiences, yourself, and others and bring harmony to your mind, body, and the world around you.
